### PUBLIC NOTICE

**To:** Affected Property Owners  
Emergency Services

**From:** Mike Dopp, PE, Senior Civil Engineer

**Date:** August 17, 2017 – UPDATED August 30, 2017

**RE:** Summer Paving Project

Construction of the Summer Paving Project is anticipated to begin on Tuesday, August 22. The streets included in the Summer Paving Project were reviewed and approved by Council during the priority setting and budgeting process for the current fiscal year. The streets slated for repaving include:

- Delaware Court
- Chippewa Court
- West Street
- Chambers Street from Center Street to Broadway Street

The work will include replacement of the asphalt wearing surface, curb and gutter repairs, sidewalk repairs, accessible ramps complying with the Americans with Disabilities Act, and other minor improvements.

The general schedule is anticipated to be as follows:

- August 22 - September 1: Removal of sections of concrete curb and gutter and sidewalk ramps – **Concrete removal completed**
- September 4 - 8: Removal of existing asphalt - **Completed**
- September 4 – 15: Concrete curb & gutter and accessible ramp construction
- September 18 – 29: Installing new asphalt
- October 2 - 6: Final restoration

During construction, the streets will remain open to local traffic. Minor traffic disruptions will occur on the days that the old asphalt is removed and on the days when new asphalt is being installed. If concrete curb & gutter is being replaced at a driveway approach, the owner will be notified by the contractor or City Representative in advance. This schedule is subject to change depending on weather conditions.

Questions regarding the project may be directed to Mike Dopp, Senior Civil Engineer at 269-637-0776 or [mdopp@south-haven.com](mailto:mdopp@south-haven.com).
